

Memorandum

Date: December 4, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Borges
County Manager

Agenda Item No. 8(A)(1)(E)

Subject: Award Recommendation for RFP for the Foreign Currency Exchange & Business
Center at Miami International Airport RFP No. MDAD-10-06

This item was amended at the November 15, 2007, Airport & Tourism Committee (ATC) to change the verbiage on page 17 of the Nonexclusive Lease & Concession Agreement, under Article 3 Rentals, Payments & Reports, Sub-article 3.24 Penalties from "may" to "shall", upon the recommendation of the ATC. Additionally, the words "are at fault", were inserted to make the sub-article read as follows: "If Concessionaire or its Sub-Tenants are at fault under any of the covenants or terms and conditions enumerated herein, the Department shall impose the financial penalties below, as a result of the violation(s), on a daily basis, in addition to any other penalties permissible by law and/or pursuant to the provisions of this Agreement, until said violations are remedied:"

Finally, at the meeting, Scrivener's errors were read into the record correcting (1) "Lenlyn Ltd. d/b/a International Currency Exchange" to read "Lenlyn Ltd. d/b/a ICE Currency Services USA"; and (2) correcting "11 currency exchanges" to read "10 currency exchanges and one business center".

RECOMMENDATION

It is recommended the Board of County Commissioners (Board) approve the award of the Non-Exclusive Lease and Concession Agreement (Agreement) for the Foreign Currency Exchange and Business Center at Miami International Airport (MIA) to Lenlyn Ltd. d/b/a ICE Currency Services USA (ICE or the Concessionaire) and authorize the Mayor or his designee to execute the Agreement attached hereto. It is further recommended that the Board authorize the Mayor or designee to exercise any cancellation, termination or renewal provisions contained therein.

SCOPE

Miami International Airport is located primarily within Commission District 6. However, the impact of this agenda is countywide in nature as Miami International Airport is a regional asset.

FISCAL IMPACT/FUNDING SOURCE

This project generates revenue for the Miami-Dade Aviation Department (MDAD). Payment provisions to MDAD include monthly rent and a Minimum Annual Guarantee (MAG) of \$2,400,580, or a percentage fee of 7.3 percent with gross revenues up to \$38 million, or a percentage fee of 7.5 percent if gross revenues exceed \$38 million (incrementally), whichever is greater. The Concessionaire shall also pay a Construction Permit Fee of one percent equal to the estimated construction costs for improvements, and a Concession Marketing Fee of one-half-of-one-percent of gross revenues, which will be assessed on an annual basis by the Department for marketing the concessions at MIA, not to exceed \$12,000 (or \$1,000 monthly per location).

TRACK RECORD/MONITOR

ICE is the existing provider of this service and has performed satisfactorily at MIA for many years. Payment records indicate that ICE, fulfills their current \$1.7 million MAG to the County, in a timely manner. The staff member responsible for monitoring this project is Patricia Ryan, MDAD Division Director of Commercial Operations.

BACKGROUND

Miami-Dade County, through MDAD, solicited proposals from interested parties to finance, design, furnish, manage and operate Foreign Currency Exchange locations and Business Centers at MIA. The Concessionaire will operate eleven (11) currency exchange locations at MIA. One of those 11 locations will also contain a Business Center.

Request for Proposals (RFP) No. MDAD-10-06, for Foreign Currency Exchange & Business Center at MIA, was advertised on April 26, 2007.

Responses were received from: Lenlyn Ltd. d/b/a ICE Currency Services USA (ICE), and Travelex Currency Services Inc.

The Evaluation/Selection Committee (Committee) met on August 13, 2007, reviewed proposals submitted by the two (2) proposers, and heard presentations from the submitting firms. The Committee recommended negotiations with the highest ranked firm, which was ICE. The Negotiations Committee successfully negotiated on September 20, 2007, with ICE.

This project generates revenue for the Miami-Dade Aviation Department. Payment provisions to the Miami-Dade Aviation Department include a monthly rent, and a Minimum Annual Guarantee ("MAG") of \$2,400,580, or a percentage fee of 7.3 % with gross revenues up to \$38 million, or a percentage fee of 7.5 % if gross revenues exceed \$38 million (incrementally), percentages of gross revenues, whichever is greater. In accordance with Administrative Order No 3-38, MDAD advertised a Request for Proposals ("RFP") No. MDAD-10-06 to solicit proposals for a Concessionaire to operate Foreign Currency Exchange and Business Center at MIA. The following two (2) respondents responded to the County public advertisement: Lenlyn Ltd d/b/a International Currency Exchange (ICE), and Travelex Currency Services, Inc. (Travelex).

The contract measure established for the RFP was a twenty percent (20%) Airport Concession Disadvantaged Business Enterprises (ACDBE) goal. Both respondents, ICE and Travelex were found in compliance with the required contract measure.

Subject: ACDBE Compliance Review for Foreign Currency Exchange and Business Center Services at MIA, RFP No.MDAD -10-06

The Minority Affairs Division has completed its review of proposals submitted for the above referenced Request for Proposal (RFP) for compliance with the Airport Concession Disadvantaged Business Enterprise (ACDBE) Program as per the requirements of the Code of Federal Regulations 49 C.F.R., Part 23 (Concessions). An ACDBE goal of 20% of gross revenues has been established for this RFP. The MDAD Contracts Administration Division submitted RFP documents from two Proposers to the Minority Affairs Division for ACDBE Compliance Review:

ICE Currency Services USA has submitted the required ACDBE Utilization Form, Schedule of Participation By ACDBE Firms and Letter(s) of Intent committing to 20% of gross revenues, utilizing Universal Cambios Inc. for operating Foreign Currency Exchange Services. ICE Currency Services USA is in compliance with the ACDBE participation goal of 20% of gross revenues and the Code of Federal Regulations 49 C.F.R., Part 23 (Attachment 1).

Travelex Currency Services Inc. has submitted the required ACDBE Utilization Form, Schedule of Participation By ACDBE Firms and Letter(s) of Intent committing to 20% of gross revenues, utilizing CLS Management Services, Inc. for operating Foreign Currency Exchange Services and 2% of gross revenues for Business Traveler Services, Inc. for business services.

However, Business Traveler Services, Inc. was DBE certified by the State of Georgia Department of Transportation and had not applied to a Florida agency as per the certification requirements of the RFP page 39, Subsection 4.4 Certification which states:

"In order to participate as an ACDBE on this contract an ACDBE must be certified or have applied for certification to the Miami Dade County Department of Business Development at the time of Proposal submittal."

We have contacted the Small Business Affairs/Department of Procurement Management (formerly Department of Business Development) and the Florida Department of Transportation, Unified Certification Program (FLUCP) and they confirmed they have no record of Business Traveler Services, Inc.'s application for ACDBE certification. Business Traveler Services, Inc. can participate as a subcontractor to Travelex Currency Services Inc.; however its 2% of gross revenues cannot be counted towards the ACDBE participation goal. Travelex Currency Services Inc. is in compliance with the ACDBE participation goal of 20% of gross revenues and the Code of Federal Regulations 49 C.F.R., Part 23 (Attachment 2).

Dear Lilians Roif:

The Department of Business Development has completed its review of your application and attachments submitted for certification as a Disadvantaged Business Enterprise (DBE) and hereby approves your firm as a DBE in the categories listed below. Your DBE certification is valid for three (3) years, expiring as noted above and your firm will be included in our registry of certified businesses.

While DBE certification qualifies your firm to bid and participate on projects with DBE participation requirements, please note that this certification does not allow you to participate on projects with Community Small Business Enterprise and/or Community Business Enterprise (CSBE/CBE) program requirements unless you are specifically certified in these programs. Please note that certification as a small business enterprise continues to be valid for one (1) year.

If any changes occur within your company during the certification period (such as ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist) you must notify this office in writing immediately. It is imperative that we maintain current information on your company at all times. All inquiries or changes related to this certification should be directed to the Certification Unit between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. Dear Cynthia Shifflett:

We are pleased to inform you that the Department of Business Development is now Small Business Affairs within the Department of Procurement Management. As a result of the review of your application and attachments submitted for certification as a Disadvantaged Business Enterprise (DBE) we hereby approve your firm as a DBE in the categories listed below. Your DBE certification is valid for three (3) years, expiring as noted above and your firm will be included in our registry of certified businesses.

Please note that certification as a small business enterprise continues to be valid for one (1) year.

If any changes occur within your company during the certification period (such as ownership, address, telephone number, trade category, licensing, technical certification, bonding capacity, or if the business ceases to exist) you must notify this office in writing immediately. It is imperative that we maintain current information on your company at all times. All inquiries or changes related to this certification should be directed to the Certification Unit between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. We look forward to your participation in Miami-Dade County's small and/or disadvantaged business programs.

NOW, THEREFORE, in consideration of the Locations, Agreements, and the mutual covenants herein contained, the parties agree as follows:

ARTICLE 1 – TERM, EXTENSION AND LOCATIONS

- 1.01 TERM:** The term of this Agreement is for five (5) years starting on the Effective Date of this Agreement.
- 1.02 EXTENSION:** At the sole discretion of the Department, the initial five (5) years Term may be extended for a maximum of one (1), two (2) year Term period, provided the extension is mutually agreed to by the Department and the Concessionaire in writing.

In the event the Department elects to extend the Agreement, the Concessionaire shall be notified, in writing, no less than one hundred and twenty (120) calendar days prior to the

expiration of the initial term. The Concessionaire may elect not to agree to the extension, and, if so, must notify the Department thirty (30) calendar days after receipt of written notification by the Department to extend the Agreement. In the event the Department does not give such notice, the Agreement shall expire accordingly.

In the event the Concessionaire is in default, pursuant to **Article 12 "Default and Termination by County"** of the Lease and Concession Agreement beyond applicable grace and cure periods, the Department shall not exercise its rights to extend the Agreement.

1.03 LOCATIONS: The Department hereby identifies to the Concessionaire the Locations as depicted in Exhibit A Locations.

1.04 SUPPORT SPACE: In addition to the Locations provided to the Concessionaire in **Sub-Article 1.03 "Locations"**, the Department is providing a support space to the Concessionaire of 183 square feet, located in Terminal E, second level and as depicted in Exhibit C.

The Concessionaire shall pay monthly rental payments for the Concessionaire's support space at the rate applicable for terminal rental payments and annual adjustments as provided for in **Sub-Article 3.06 "Annual Rental."**

The Concessionaire's support space may be relocated or replaced, at the Department's sole cost and expense.

1.05 STORAGE SPACE: The Department may make available to the Concessionaire storage space if available. To the extent necessary, the Concessionaire must make arrangements for storage space within the Locations or use off-Airport properties.

1.06 COMMON WAREHOUSE SYSTEM: Due to the fact that storage space is limited in this Agreement and such space is separate from the Locations, should the Concessionaire determine, in its sole discretion, the need to use off-Airport properties for storage space, the Concessionaire shall be entitled through itself, or through an independent third-party contractor, to operate a common logistical support service with respect to the delivery and storage of Sub-tenants' merchandise, inventory, equipment and supplies to a central commissary warehouse location off of the Airport and the re-delivery of Sub-tenants' merchandise, inventory, equipment and supplies to each of the Sub-tenants' Locations at the Airport.

1.07 ADDITION, DELETION AND MODIFICATION OF LOCATIONS:

A. ADDITION OF LOCATIONS: If at any time after the lease Effective Date, the Department, at its sole discretion, identifies any additional Location for concession development comparable to the concept categories in this Agreement, the Department may, but is not required to, offer such additional Location to the Concessionaire upon written notification. The Concessionaire will have thirty (30) calendar days to submit a written response accepting or rejecting the additional Location. Acceptance of any

additional Location will require the Department and the Concessionaire to mutually agree.

B. ADDITION OF TEMPORARY LOCATIONS: The Department reserves the right to require the Concessionaire to provide, and cause to be operated, temporary Locations. Any rents for these locations are subject to the terms of this Agreement. The square footage for these temporary Locations shall not be included in the calculation of the Minimum Annual Guarantee pursuant to Sub-Article 3.01. All such concepts, plans, fixtures, equipment and merchandising are subject to review and approval by the Department and, to the extent necessary, other County agencies.

C. DELETION OR MODIFICATION OF LOCATIONS: The Department reserves the right, at its sole discretion, to delete or modify any of the Locations due to Airport development/construction, operational necessity, and security or safety considerations. In the event of such deletion or modification the Concessionaire shall be given no less than: (i) thirty (30) calendar days written notice, for such deletion or modification due to operational necessity, and security or safety considerations; and (ii) sixty (60) calendar days written notice, for such deletion or modification due to development/construction.

The Department shall not be held liable to the Concessionaire or its Sub-Tenants for any inconvenience or loss of business as a result of the deletion or modification of any Locations pursuant to this Sub-Article.

D. ADMINISTRATIVE REVISIONS: This Agreement shall be administratively revised to reflect any additions, deletions or modifications to the Locations pursuant to the provisions herein. Such revision will include revised exhibits and appropriate changes to the Locations in Sub-Article 1.03 "Locations" or Sub-Article 1.04 "Support Space" and total payments due to the Department in accordance with Article 3, "Rentals, Payments and Reports" and Article 2 "Use of Locations".

1.08 NON-EXCLUSIVITY: This Agreement is nonexclusive in character and in no way prevents the Department from entering into an agreement with any other parties for the sale or offering of competitive services, products or items by other concessionaires and/or others in other locations at the Airport during the Term of this Agreement.

1.09 CONDITION OF THE LOCATIONS: CONCESSIONAIRE SPECIFICALLY ACKNOWLEDGES AND AGREES THAT THE DEPARTMENT IS LEASING ALL LOCATIONS TO THE CONCESSIONAIRE ON AN "AS IS" BASIS AND THAT THE CONCESSIONAIRE IS NOT RELYING ON ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, FROM THE DEPARTMENT OR ITS AGENTS, AS TO ANY MATTERS CONCERNING THOSE LOCATIONS including: (i) the quality, nature, adequacy and physical condition and aspects of the Locations, including utility systems; (ii) the existence, quality, nature, adequacy and physical condition of utilities serving the Locations; (iii) the development potential of the Locations, the use of the Locations, and the habitability, merchantability, or fitness, suitability, value or adequacy of the Locations for any particular purpose; (iv)

the zoning or other legal status of the Locations or any other public or private restrictions on use of the Locations; (v) the compliance of the Locations or its operation with any applicable laws, regulations, statutes, ordinances, codes, covenants, conditions, and restrictions of any governmental or quasi-governmental entity or of any other person or entity; (vi) the presence of hazardous materials or industrial wastes on, under or about the Locations; (vii) the quality of any labor and materials used in any improvements on the Locations; (viii) the condition of title to the Locations; (ix) the agreements affecting the Locations; and (x) the Proposal submitted by Concessionaire to the Department, including any statements relating to the potential success or profitability of such Proposal. Concessionaire represents and warrants that it has made an independent investigation of all aspects of its Proposal contemplated by this Agreement. Except as specifically provided in this Agreement, the Concessionaire has satisfied itself as to such suitability and other pertinent matters by the Concessionaire's own inquiries and tests into all matters relevant in determining whether to enter into this Agreement. The Concessionaire accepts the Locations in their existing condition, and hereby expressly agrees that if any remediation or restoration is required in order to conform the Locations to the requirements of applicable law, the Concessionaire assumes sole responsibility for any such work.

1.10 CAPITAL IMPROVEMENT PROGRAM: The Capital Improvement Program (CIP) is currently underway and will involve the refurbishment of terminal interiors, airline relocations, changes in access to the terminal and concourses, construction of new concession Locations, and other improvements that may affect concession operations in the terminal building and on the concourses and access at the curbside or on the airfield. The CIP may affect the operation of the Locations, and **THE DEPARTMENT NEITHER MAKES NOR IMPLIES ANY WARRANTIES AS TO THE EFFECT OF SUCH CAPITAL IMPROVEMENT PROGRAM ON SAID OPERATIONS DURING THE TERM OF THIS AGREEMENT.** The Department shall use reasonable good faith efforts to the extent possible, so as to mitigate any adverse impact on the business operations of Locations that will not be demolished by the CIP.

1.11 REQUEST FOR PROPOSAL INCORPORATED: The Concessionaire acknowledges that it has submitted to the County a Proposal, in response to a Request for Proposal (RFP), that was the basis for the award of this Agreement and upon which the County relied. The RFP and that Proposal are incorporated into this Agreement. **IN THE EVENT THERE ARE ANY CONFLICTS BETWEEN THIS LEASE AND CONCESSION AGREEMENT AND THE RFP OR THE PROPOSAL, THE TERMS OF SAID AGREEMENT SHALL GOVERN.**

ARTICLE 2 – USE OF LOCATIONS

2.01 USE OF LOCATIONS: The Concessionaire shall have the right, privilege, and obligation to finance, design and construct, lease, manage, operate, and maintain the Locations, depicted in Exhibit A, "Locations Summary", for the purpose of establishing high quality, state of the foreign currency exchange and business center services, as approved by the Department.

2.02 CONCESSIONAIRE SERVICES AND SALES RIGHTS: The Concessionaire shall not allow any services or the sale of any item or product not specifically approved in this Agreement. Any sales by the Concessionaire or Concessionaire's Sub-tenants of services, products, or items not specifically approved herein, in writing by the Department, shall constitute a violation. In the event of such violation, the Concessionaire shall discontinue or cause its Sub-tenants to discontinue the sale or service of the unapproved product immediately, upon written notice from the Department. Failure by Concessionaire or its Sub-tenants to discontinue such sales within 24 hours shall subject the Concessionaire to penalties pursuant to **Sub-Article 3.24 "Penalties"**. Upon the assessment of thirty (30) days of penalties and direction of the Director for a Location operated by a Sub-tenant, the Concessionaire shall tender a notice of default to the Sub-tenant(s) in violation, with copies of said default notice to the Director and pursue all remedies available in law and equity to cease such actions. Failure of the Concessionaire to: (i) notify the Sub-tenant(s) of the default, (ii) pursue all remedies available to cease the unauthorized sales or services shall be an event of default and grounds for termination of this Agreement.

2.03 SCOPE OF SERVICES: The Scope of Services is as reflected in the RFP Section 1.3 and in Exhibit K, attached to this Agreement.

2.04 ANNUAL PLAN SUBMISSION: The Concessionaire shall prepare a marketing plan. The marketing plan shall be submitted to the Department on or before ninety (90) calendar days prior to the commencement of each lease year, and shall represent the upcoming fiscal year for the Department (October 1 – September 30). The Department shall have forty-five (45) calendar days after receipt of the foregoing plan to approve or disapprove the same in its reasonable discretion. If MDAD disapproves the plan, the Concessionaire shall operate in substantial conformity with all such plans approved by the Department as may be modified from time to time.

The Department reserves the right to request at any time any further submission of plans.

2.05 PROHIBITED ACTIVITIES: Without limiting any other provision herein, Concessionaire or its Sub-Tenants shall not, without the prior written consent of the Department which may be withheld in its sole and absolute discretion: (a) advertise or hold any distress, fire, or bankruptcy sales, (b) cause or permit anything to be done, in or about the Locations, or bring or keep anything thereon which might (i) increase in any way the rate of fire insurance on the MIA Terminal Building or any of its contents, (ii) create a nuisance or annoyance or safety hazard, or (iii) obstruct or interfere with the rights of others in the MIA Terminal Building; (c) commit or suffer to be committed any waste upon the Locations; (d) use, or allow the Locations to be used, for any improper or unlawful purpose; (e) do or permit to be done anything in any way tending to injure the reputation of the Department, the County, the Board of County Commissioners, or the appearance of the Airport; or (f) construct any improvement on or attach any equipment to the roof of the Airport. Except as required to permit Concessionaire or its Sub-Tenants to perform its maintenance and repair obligations under this Agreement, Concessionaire or its Sub-Tenants shall not gain access to the roof of the MIA terminal building without the consent of the Department, which may be withheld in the Department's sole and absolute discretion.

ARTICLE 3 – RENTALS, PAYMENTS AND REPORTS

The Common Logistics Fee shall be reimbursed to the Concessionaire by its Sub-tenants on a non-discriminatory basis for all similarly situated Sub-tenants. The Concessionaire shall not be entitled to charge Sub-tenants for any of the Concessionaire's internal administrative expenses in managing the common logistical support service program as part of the Common Logistics Fee. All funds received by Concessionaire as part of the Common Logistics Fee shall not be included in Concessionaire's Gross Revenues for any and all purposes of this Agreement, it being recognized by the Department that any such payments by Sub-tenants to the Concessionaire shall not be included in the calculation of the Percentage Fee, if any, due from Concessionaire to the Department as provided for in **Sub-Article 3.04 "Percentage Fee to the Department"**. The Department may draw upon such payment security instrument, if the Concessionaire fails to pay any monies or perform any obligations required hereunder following applicable notice and cure periods specified herein. Provided Concessionaire is not in default and fully complies with all the payment requirements of this Agreement, the bond will be

returned to Concessionaire within one hundred eighty (180) calendar days after the end of the Term or any Extension of the Term.

- 3.12 TAXES:** The Concessionaire shall be solely responsible for the payment of all applicable sales, use or other taxes, levied upon the fees and other charges payable by the Concessionaire to the Department hereunder, whether or not the same shall have been billed or collected by the Department, together with any and all interest and penalties levied thereon. The Concessionaire shall certify as to the accuracy of such Gross Revenues in such form as shall be prescribed by the Department. The Department may modify from time to time, the form of reporting upon not less than thirty (30) days written notice to the Concessionaire. The statement must be signed by an officer (if the Concessionaire is a corporation), partner (if a partnership), or owner (if a sole proprietorship) of the Concessionaire, and identify all Gross Revenues reported to the Concessionaire during such month. Prior to entering any Locations located on the Airport, the Department shall give reasonable advance notice to the Concessionaire

The Department shall further have the right, upon reasonable written notice to the Concessionaire at the sole cost of the Department except as specified below, to examine or designate a representative to examine the books and records of the Concessionaire which relate to its operations on the Locations to determine the correctness of the percentage fees paid by the Concessionaire to the Department for any or all of the Agreement periods immediately preceding such examination. At least ten (10) days prior written notice shall be provided by the Department to the Concessionaire to examine any such books and records which may be located in offices of the Concessionaire, which are not located in the Airport. If, as a result of such examination, it is established that the percentage fees for any period examined have been underpaid to the Department, the Concessionaire shall forthwith, upon written demand from the Department, pay the difference to the Department, together with interest thereon at the rate set forth in **Sub-Article 3.15 "Late Payment"** from the date such amount or amounts should have been paid.

Further, if such examination establishes that Concessionaire has underpaid percentage fees for any period examined by three percent (3%) or more, then the entire expense of such examination shall be borne by Concessionaire.

In the event of any conflict between any provisions of this Agreement and generally accepted accounting principles or generally accepted auditing standards, the provisions of this Agreement shall control even where this Agreement references such principles or standards. In particular, without limitation, the Concessionaire shall maintain all records

required under this Agreement to the full extent required hereunder, even if some or all of such records would not be required under such general principals or standards.

In addition to the foregoing, the Department reserves the right to review any and all fees imposed by the Concessionaire to each Sub-Tenant and the basis of such fee and allocation to each Sub-Tenant.

- 3.21 RECORDS AND REPORTS:** The Concessionaire shall, at all times during the term hereof and in accordance with applicable law, maintain at the Concessionaire's principal corporate office located in the United States and make available to the Department in Miami-Dade County, Florida, complete and accurate books and records of all receipts and disbursements from its operations on the Locations, in a form consistent with good accounting practice. In addition, Concessionaire shall cause to be installed for use at all times in each Location such devices and forms as are reasonably necessary to record properly, accurately and completely all Sub-tenant's merchandise sales and services from each Location. The form of all such books of account records and reports shall be subject to the approval of the Department and/or the auditors of the County (one or more of the following: the designated external auditing firm or other certified public accounting firm selected by the Department, or the Audit and Management Services Department of the County) prior to commencement of operations hereunder.

The Concessionaire shall account or shall cause its Sub-Tenants to account for all revenues of any nature related to transactions in connection with this Agreement in a manner which segregates in detail those transactions from other transactions of the Concessionaire (and of the Sub-Tenants, as the case may be) and which supports the amounts reported to the Department in the Concessionaire's monthly schedules. At a minimum, the Concessionaire's accounting for such receipts shall include the following:

1. Concessionaire's bank account statements (separate bank accounts shall be maintained for receipts from Sub-Tenants' payments to the Concessionaire and no receipts from any other source shall be deposited in such accounts);
2. A compiled report of transactions by Location showing all Gross Revenues and all exclusions from Gross Revenues by category, which report shall be subtotaled by day and totaled by month. The monthly total shall correspond with the amounts reported to the Department on the Concessionaire's monthly "Revenue Reports"; and
3. Such other records, if any, which would normally be examined by an independent certified public accountant in performing an examination of the Concessionaire's Gross Revenues in accordance with generally accepted auditing standards and the provisions of this Agreement.

Such records may be in the form of (a) electronic media compatible with the computers available to the Department, or (b) a computer run hard copy. The Department may require other records necessary in its determination to enable the accurate audit of Concessionaire's Gross Revenues hereunder. Upon ten (10) business days written notice from the Department, all such books and records, including the general ledger and bank statements and all federal, state and local tax returns relating to Sub-Tenant's

sales, shall be made available, either at the Locations, or at the Department's option, at the offices of the Department, for inspection by Department through its duly authorized representatives at any time for up to three (3) years subsequent to final termination of the period to be examined to which such books and records relate (and the Concessionaire shall not be obligated to retain such books and records subsequent to the termination of such three (3) year period); provided, however, that any such inspection on the Locations will be conducted during reasonable business hours and in such a manner and at such time as not to interfere unduly with the conduct of the Concessionaire's business.

3.22 ADDITIONAL FEES DUE: If the Department has paid any sum or has incurred any obligation or expense for which the Concessionaire agreed to pay or reimburse the Department, or if the Department is required or elects to pay any sum or incur any obligation or expense because of the failure, neglect or refusal of the Concessionaire to perform or fulfill any of the terms or conditions of this Agreement, then the same shall be deemed additional fees due and subject to an administrative fee of twenty-five percent (25%) of such payment, obligation, or expense.

3.23 UTILITIES: The cost of all utilities used or consumed on the Locations shall be borne by the Concessionaire; provided, however, except with respect to the Concessionaire's Office at the Airport, the Concessionaire shall be entitled to pass the cost of all utilities used or consumed to the Sub-Tenants at the same rates as billed to the Concessionaire without any administrative mark-up or profit. Unless the Locations are provided with separate electric, gas, and/or water meters, the Concessionaire agrees to pay for such utilities in the Locations as a monthly charge, plus any applicable taxes, upon billing by the Department, or utility companies. The Department encourages the Concessionaire to provide and install or cause the Sub-Tenants to provide and install meters for utilities used at the Concessionaire's or its Sub-Tenant's expense. If billed by the Department, the Department at its sole discretion, will base this monthly charge on (i) a survey of consumption by the Department and current non-discriminatory rates charged others in the Terminal Building or (ii) at the option and expense of the Concessionaire on actual usage measured by temporary meters, arranged and paid for by the Concessionaire. This monthly charge may also be adjusted on a non-discriminatory basis and billed retroactively from time to time based on changes in consumption and rates. Concessionaire hereby agrees to pay the same within thirty (30) calendar days after it has received Department's invoice thereof. The Concessionaire shall pay for all other utilities used by it including telephones and telephone service hook-up, data lines and additional electrical and communications services required.

The Department shall have no obligation to provide additional utilities to the locations listed in **Sub-Article 1.03 "Locations"** and **Sub-Article 1.04 "Support Space"**.

If, at any time during the term of the Agreement, excluding any extension, the Department requires the deletion and/or modification of any Location, the Department may designate new Locations at its sole discretion and reimburse the Concessionaire the unamortized balance of Approved Improvements for that Location.

A certified audit of monies for the above expenditures performed at the expense of the Concessionaire will be required to confirm the Capital Investment within one hundred eighty (180) calendar days of Beneficial Occupancy for each Location. No non-receipted expenditures will be credited. If the approved total receipted amount is below the (\$150/psf) minimum, the Concessionaire will be required to pay the Department the difference between the Capital Investment amount and the actual receipted expenditure within ninety (90) calendar days after billing by the Department.

Concessionaires not submitting a certified audit within the allotted time may be billed a penalty of \$50.00 per day. Upon reconciliation, any difference due the Department shall also include an administrative fee of 25% of the monies due the Department on the build-out of the Locations.

Such fee shall be used to reimburse the Department its costs of maintaining on-site Building Department staff to review Concessionaire's and Sub-tenant's plans/specifications. If said maintenance is not performed by Concessionaire (or if the Concessionaire fails to cause the Sub-tenant to perform such maintenance) to the satisfaction of the Department within seven (7) calendar days after receipt of such written notice, Department shall have the right to enter upon the Locations and perform such maintenance and charge Concessionaire for such services.

- 8.04 FAILURE TO MAINTAIN:** Upon failure of the Concessionaire or its Sub-tenants to maintain the Locations as provided in this **Article 8 "Maintenance"**, the Department may enter upon the Locations and perform all cleaning, maintenance and repairs which may be necessary and the cost thereof plus twenty-five percent (25%) for administrative costs, shall constitute additional rental, and shall be billed to and paid by the Concessionaire, in addition to any penalties imposed by the Department pursuant to **Sub-Article 3.24 "Penalties"**.

Failure to pay said costs upon billing by the Department will cause this Agreement to be in default as stated in **Sub-Article 12.02 "Payment Default"**.

- 8.05 ENVIRONMENTAL RECYCLING:** The Department is actively engaging in the development of environmental programs. A recycling program is planned at the Airport to include the participation of all Airport Concessionaires. Participation in this program, once established, will be mandatory. The Concessionaire and/or its Sub-tenants shall agree to bear any reasonable and actual costs associated with the implementation and continued operation of this recycling program, or propose for approval by the Department an alternative environmental recycling plan which such approval shall not be unreasonably withheld.

Proper disposal of contaminated and/or regulated materials generated by the Concessionaire or its Sub-tenants is the sole responsibility of the Concessionaire. Disposal must be through the use of a licensed vendor regulated by the State of Florida and/or any other federal or local regulatory agency.

- 8.06 FIRE PROTECTION AND SAFETY EQUIPMENT:** The Concessionaire and its Sub-tenants must provide and maintain all fire protection and safety equipment and all other equipment of every kind and nature required by any applicable law, rule, ordinance, resolution or regulation, for the Term of this Agreement, and extensions, if any, or any insurance carrier providing insurance covering any portion of the Locations.

ARTICLE 9 – ASSIGNMENT AND OWNERSHIP

- 9.01 NO ASSIGNMENT:** The Concessionaire shall not assign, transfer, pledge or otherwise encumber this Agreement nor shall the Concessionaire allow others to use the Locations, without the prior written consent of the Department.
- 9.02 OWNERSHIP OF THE CONCESSIONAIRE:** Since the ownership, control, and experience of the Concessionaire were material considerations to the County in the award of this concession and the entering into of this Agreement, the Concessionaire shall take no actions which shall serve to transfer or, sell majority ownership or control of the Concessionaire without the prior written consent of the Department.
- 9.03 CHANGE OF CONTROL:** If Concessionaire is a corporation the issuance or sale, transfer or other disposition of a sufficient number of shares of stock (deemed to mean more than fifty-percent (50%) of the stock) in the Concessionaire to result in a change of control of Concessionaire shall be deemed an assignment of this Agreement for purposes of this Article 9 “Assignment and Ownership”. If the Concessionaire is a partnership, transfer of any interest in the partnership, which results in a change in control of such Concessionaire, shall be deemed an assignment of this Agreement for purposes of this Article 9 “Assignment and Ownership”.
- 9.04 HOLDOVER:**

A. With the Department’s Permission:

If the Concessionaire (or anyone claiming through Concessionaire) shall remain in possession of the Locations or no less than seventy percent (70%) of the square footage of the Locations thereof after the termination of this Agreement, by written agreement executed by the Department the person or entity remaining in possession shall be deemed a tenant at sufferance otherwise subject to all of the provisions of this Agreement. The Concessionaire shall thereafter continue to pay the Minimum Monthly Guarantee; as such Minimum Monthly Guarantee is subject to an annual Consumer Price Index adjustment. Such adjustment will be calculated by dividing the most recent Consumer Price Index published immediately prior to the expiration of the Lease and Concession Agreement and the most recent Consumer Price Index

published one year immediately prior to the termination date and multiplying such amount by the Minimum Annual Guarantee. The recalculated Minimum Annual Guarantee will be used as the basis for calculating the Minimum Monthly Guarantee. Notwithstanding the adjustment, in no event will any adjustment by the Consumer Price Index cause the Minimum Annual Guarantee for any year to be lower than the amount of such Minimum Annual Guarantee for the Term. If the Consumer Price Index is discontinued or revised during the Term, any such other governmental index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Consumer Price Index had not been discontinued or revised.

In addition, the Concessionaire shall pay the applicable Monthly Percentage Fee, and monthly installment or rent for the Concessionaire's Office pursuant to **Sub-Article 3.06 "Annual Rental"** (if Concessionaire remains in such Space), on account of the holdover use and occupancy of the Locations. One-sixtieth (1/60) of any un-amortized investment amounts per store Location owed the Concessionaire by the Department, for the slippage in Location turnover shall be extinguished, for each additional month the Concessionaire or its Sub-tenant remains in possession of any portion of the Locations. This provision shall survive the expiration or the termination of this Agreement.

B. Without Department Permission:

If the Concessionaire (or anyone claiming through Concessionaire) shall remain in possession of the Locations or any part thereof after the termination of this Agreement, without a written agreement executed by the Department, then without limiting the Department's other rights and remedies, the person or entity remaining in possession shall be deemed a tenant at sufferance otherwise subject to all of the provisions of this Agreement. The Concessionaire shall thereafter pay on account of its holdover use and occupancy of the Locations a sum, at a rate equal to two times (2x) the amount payable monthly as MMG PLUS Monthly Percentage Fee PLUS monthly installment of the administrative support space annual lease rental pursuant to **Sub-Article 3.06 "Annual Rental"**, and with all additional rent also payable as provided in this Agreement (the "Holdover Charges"). Imposition of Holdover Charges, extinguishes any un-amortized investment amounts owed the Concessionaire by the Department, for the slippage in Location turnover. The Holdover Charges shall be payable weekly in advance. Notwithstanding the above, the Concessionaire shall remain liable to the Department for all damages resulting from such breach, with the amount of any Holdover Charges accepted by the Department on account of the holdover considered as mitigation of such damages. The covenant in this Sub-Article shall survive the expiration or the termination of this Agreement.

ARTICLE 10 – INDEMNIFICATION

10.01 INDEMNIFICATION REQUIRED OF CONCESSIONAIRE: The Concessionaire shall indemnify, defend, and hold harmless the Department and its officers, employees,

agents and instrumentalities from any and all liability, losses or damages, including attorney's fees and cost of defense, which the Department or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Concessionaire or its employees, agents, servants, partners, principles or any other persons. The Concessionaire shall pay all claims and losses in connection therewith, and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Department, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon.

The Concessionaire expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Concessionaire shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Department or its officers, employees, agents and instrumentalities as herein provided.

ARTICLE 11 – INSURANCE

The certificates and policies must provide that, in the event of any material change in or cancellation of the policies reflecting the required coverage, thirty days advance notice shall be given to the MDAD Risk Management.
- 11.04** Compliance with the foregoing requirements as to the carrying of insurance shall not relieve the Contractor from liability under any other portion of this Contract.
- 11.05** Cancellation of any insurance or bonds, or non-payment by the Contractor of any premium for any insurance policies or bonds required by this Contract shall constitute a breach of this Contract. In addition to any other legal remedies, the Owner at its sole option may terminate this Contract or pay such premiums, and deduct the costs thereof from any amounts that are or may be due to the Contractor.
- 11.06** The Contractor shall be responsible for assuring that the insurance certificates required in conjunction with this section remain in force for the duration of the agreement. If insurance certificates are scheduled to expire during the contract period, the Contractor shall be responsible for submitting new or renewed insurance certificates to MDAD's Risk Management Office at a minimum of thirty (30) calendar days before such expiration.
- 11.07** The Owner reserves the right, upon reasonable notice, to examine the original policies of insurance (including but not limited to: binders, amendments, exclusions, endorsements, riders and applications) to determine the true extent of coverage. 12.02 PAYMENT DEFAULT: Failure of the Concessionaire to make MAG/MMG payments and Percentage Fee payments and other charges required to be paid herein when due and fails to cure the same within five (5) calendar days after written notice shall constitute a default, and the Department may, at its option, terminate this Agreement after five (5) calendar days notice in writing to the Concessionaire.

12.03 OTHER DEFAULTS: The Department shall have the right, upon thirty (30) calendar days written notice to the Concessionaire to terminate this Agreement upon the occurrence of any one or more of the following unless the same shall have been corrected within thirty (30) calendar days after written notice; provided, however, that if it is not reasonably possible to cure such failure within such thirty (30) day period, such cure period shall be

At the time that such determination is made the Aviation Director shall issue to the Concessionaire a written notice, advising of such determination and citing the circumstances thereof. Such notice shall also advise the Concessionaire that there shall be no further notice or grace periods to correct any subsequent breach(s) or default (s) and that any subsequent breach or default, of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and collectively shall constitute a condition of noncurable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, the Department may terminate this Agreement upon the giving of written notice of termination to the Concessionaire, such termination to be effective upon the seventh (7) day following the date of receipt thereof and all payments due hereunder shall be payable to said date, and the Concessionaire shall have no further rights hereunder. Immediately upon receipt of said notice of termination, the Concessionaire shall discontinue its operations at the Airport and proceed to remove all its personal property in accordance with **Sub-Article 12.10 "Actions at Termination"** hereof.

12.05 NOTICE OF DEFAULT AND OPPORTUNITY TO CURE: If an Event of Default occurs, the Department shall notify the Concessionaire by sending a notice of default Notice, specifying the basis for such Event of Default, and advising the Concessionaire that such default must be cured immediately or this Agreement with the Department may be terminated. The Concessionaire can cure and rectify the Event of Default, to the Department's reasonable satisfaction, within thirty (30) days from Concessionaire's receipt of the Default Notice (the "Cure Period") or such other timeframe as delineated in the Agreement. The Department may extend the Cure Period and grant an additional period of such duration as the Department shall deem appropriate without waiver of any of the Department's rights hereunder, so long as, the Concessionaire has commenced curing such default and is effectuating a cure with diligence and continuity during such thirty (30) day period or any other period which the Department prescribes. The notice of default shall specify the Termination Date by when the Concessionaire shall discontinue the services.

12.06 UNAMORTIZED INVESTMENT EXTINGUISHED: Termination of this Agreement based upon Sub-Article 12.07 "Termination for Abandonment", Sub-Article 12.02 "Payment Default", Sub-Article 12.03 "Other Defaults", Sub-Article 12.04 "Habitual Default", or Sub-Article 12.08 "Termination for Cause", shall extinguish any unamortized investment amounts owed the Concessionaire by the Department, for the slippage in Location turnover dates.

12.07 TERMINATION FOR ABANDONMENT: This Agreement may be terminated in its entirety upon the abandonment by the Concessionaire of the Locations or the voluntary discontinuance of Concessionaire's services at the Airport for any period of time exceeding twenty-four (24) consecutive hours, unless such abandonment or discontinuance has been caused by civil disturbance, governmental order or Act of God that prevents the Concessionaire from providing services on the Locations for the purposes authorized in Article 2 "Use of Locations". The foregoing shall not include periodic Sub-tenant vacancies in individual Locations that may occur from time to time during the Term of this Agreement.

12.08 TERMINATION FOR CAUSE: The Department may terminate this Agreement, effective immediately if: (i) the Concessionaire attempts to meet its contractual obligation(s) with the County through fraud, misrepresentation or material misstatement; or (iii) a principal of the Concessionaire is convicted of a felony during the Term or any Extensions thereof if applicable. 12.09 ADEQUATE ASSURANCES: When, in the opinion of the Department, reasonable grounds for uncertainty exists with respect to the Concessionaire's ability to perform the work or any portion thereof, the Department may request that the Concessionaire, within the time frame set forth in the Department's request, provide adequate assurances to the Department, in writing, of the Concessionaire's ability to perform in accordance with terms of this Agreement. In the event that the Concessionaire fails to provide to the Department the requested assurances within the prescribed time frame, the Department may:

1. Treat such failure as a repudiation of this Agreement; and

The dispute will be decided by the Director, who will mail or otherwise furnish a written copy of the decision to the Concessionaire at the address furnished in **Sub-Article 18.10 “Notices”**. The decision of the Director will be final and conclusive unless, within thirty (30) calendar days from the date of receipt of such copy, the Concessionaire mails or otherwise furnishes to the Department a written appeal addressed to the County Manager. The decision of the County Manager, or his duly authorized representative for the determination of such appeals, will be final and conclusive unless within thirty (30) calendar days of the Concessionaire's receipt of such decision, the Concessionaire files an action in a court of competent jurisdiction. In connection with any appeal proceeding under this provision, the Concessionaire shall be afforded an opportunity to be heard and to offer other evidence in support of the appeal. Pending final decision of a dispute hereunder, the Concessionaire shall proceed diligently with the performance of this Agreement and in accordance with the County's decision. Failure to perform in accordance with the decision of the Director or the County Manager shall be cause for termination of this Agreement in accordance with **Sub-Article 12.03 “Other Defaults”**. The failure of the Concessionaire to comply with this administrative claim procedure shall be cause for a waiver of claim and an abandonment of any claim arising out of the event.

13.02 TERMINATION: The Concessionaire shall have the right, upon thirty (30) calendar days written notice to the Department to terminate this Agreement, without liability to the Department, at any time after the occurrence of one or more of the following events:

- (B) A breach by the Department of any of the material terms, covenants or conditions

contained in this Agreement required to be kept by the Department and failure of the Department to remedy such breach for a period of one hundred eighty (180) calendar days after receipt of written notice from the Concessionaire of the existence of such breach.

- (C) The assumption by the United States Government or any authorized agency thereof, or any other governmental agency, of the operation, control or use of the airport locations or any substantial part, or parts thereof, in such a manner as substantially to restrict the Concessionaire's provision of services for a period of one hundred eighty (180) calendar days.

ARTICLE 14 - AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISES (ACDBE)

- 14.01 ACDBE REQUIREMENTS:** The Department has established an ACDBE goal of **twenty percent (20%)** participation for certified ACDBE's in connection with this Agreement.

The Operator will be required to submit to the Department's Minority Affairs Division, Monthly Utilization Reports (MUR) reflecting DBE revenue and operational expenses, on or before the tenth (10th) day of every month.

- 14.02 COUNTING ACDBE PARTICIPATION TOWARD CONTRACT GOALS:** When an ACDBE participates in a contract; only the value of the work actually performed by the ACDBE toward the ACDBE goal will be counted.

When a ACDBE performs as a participant in a joint venture, a portion of the total dollar value of the contract during the complete contract term, equal to the distinct clearly defined portion of the work of the contract that the ACDBE performs will be counted toward ACDBE goals as outlined in Appendix C "Airport Concession Disadvantage Business Enterprise Participation Plan/Provision".

Expenditures to an ACDBE contractor toward ACDBE goals will be counted only if the ACDBE is performing a commercially useful function as defined below:

- A. ACDBE performs a commercially useful function when it is responsible for execution of specific quantifiable work of the contract and is carrying out its responsibilities by actually performing, managing, or supervising the specific identified work.
- B. The Department will determine whether a ACDBE is performing a commercially useful function by evaluating the specific duties outlined in the Joint Venture Agreement; the subcontract License or other Licenses in accordance with industry practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing, and other relevant factors.

- C. An ACDBE does not perform a commercially useful function if its role is limited to that of an extra participant in a financial or other transaction, contract, or project through which funds are passed in order to obtain the appearance of ACDBE participation.
- D. If an ACDBE does not perform or exercise responsibility for at least their percentage of its participation or if the ACDBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that the ACDBE is not performing a commercially useful function.
- E. When an ACDBE is presumed not to be performing a commercially useful function as provided in paragraph (c) of this Article, the ACDBE may present evidence to rebut this presumption. The Department will determine that the firm is performing a commercially useful function given the type of work involved and normal industry practices.

The Department's decision on commercially useful function matters is final.

14.03 ACDBE GOAL ACHIEVED THROUGH JOINT VENTURE ("JV") PARTNERING: Operators may satisfy a part of the ACDBE goal by Joint Venturing with a ACDBE. The ACDBE partner must meet the eligibility standards set forth in 49 CFR Part 23. A "joint venture" or ("JV") shall mean and may be referred to as an "association" of two or more businesses acting as an Operator and performing or providing services on a contract, in which each joint venture or association partner combines property, capital, efforts, skill, and/or knowledge. The joint venture Agreement must specify the following:

- A. Each ACDBE joint venture ("JV") partner must be responsible for a clearly defined portion of the work to be performed. The work should be detailed separately from the work performed by the non-ACDBE JV partner.
- B. The work should be submitted as part of this Agreement and annually thereafter to the Aviation Department's Minority Affairs Division. The ACDBE Joint Venture partner will be required to spend the minimum amount of aggregate time on-site, focused on the operation of the Agreement. Such "minimum amount of aggregate time" is defined as ten (10) hours per week.

Each Joint Venture partner must submit the Monthly Utilization Reports (MURs), in addition to the Monthly Report of ACDBE Joint Venture Activity (Appendix C, page 12), providing details of how the performance objectives were achieved and providing documentation of the achievement on the ACDBE form on page 12 of Appendix C. This information should include, but not be limited to:

Details of training sessions, including class rosters and lesson plans.

1. Deliverables and work products.

2. Time sheets of partner employees used to fulfill objectives. Time sheets must accurately reflect hours worked and compensation earned.
 3. Proof that employees of partners actually work for them (payroll, payroll tax returns, and the like).
- C. Each ACDBE partner must share in the ownership, control, management, and administrative responsibilities, risks and profits of the JV in direct proportion to its stated level of JV participation.
- D. Each ACDBE JV partner must perform work that is commensurate with the Agreement.

As described below, each ACDBE must submit, as part of its ACDBE Plan, a plan for the achievement of the ACDBE goal, including Schedule of Participation and the Letter of Intent from certified ACDBE's, or who have applied for certification through the Miami-Dade County Department of Business Development, as required by the Airport Concession Disadvantaged Business Enterprise Participation Plan.

In the event it has been determined, in accordance with applicable regulations, that the Operator has defaulted in the requirement to comply with the provisions of this Article and fails to comply with the sanctions and/or remedies then prescribed, the County shall have the right, upon written notice to the Operator, to terminate this Agreement, pursuant to the default language referenced in the Agreement.

The Agreement is subject to the requirements of the U.S. Department of Transportation's Regulations, 49 CFR Part 23. The Operator agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any agreement covered by 49 CFR Part 23.

14.06 ACDBE MENTORING, ASSISTANCE AND TRAINING PROGRAM: Consistent with the goal of providing ACDBEs with hands-on participation and the responsibility for a clearly defined portion of the Airport Concession operations, subject to **Sub-Article 14.07 "Airport Concession Disadvantaged Business Enterprise Participation Plan"** hereof, each ACDBE shall have the duty and responsibility to operate certain areas of the concession(s) following a mentoring period, if needed, which shall include but not be limited to, the following specific duties and responsibilities:

I. WELCOME

Welcome to the Miami International Airport family:

Miami International Airport is a family of dedicated Aviation Department county employee staff, its vendors, consultants, and Concessionaires. We number in the thousands and work closely together every day to achieve the four cornerstones upon which our mission is based: Safety and security, economic viability, customer service, and passenger service.

This standard of operations manual has been created to assist you in identifying our expectations of your inclusion into our Airport family. We believe we can meet the highest expectations of our passengers and airport patrons for an Airport, which enjoys the mixture of international and domestic passenger base but it requires your attention to detail to make this happen.

We look forward to working with you to achieve not only the standards included in this manual, but to excelling beyond these basic standards.

We welcome your input and wish you well in your new business here at the Airport.

Sincerely,

Jose Abreu, P.E. Director, Miami-Dade
Aviation Department

JA:par

II. INTRODUCTION

This Standards of Operations Manual is constructed so that it addresses the events that will usually transpire as your business embarks on a relationship with the Miami International Airport.

The Lease that exists between the Concessionaire and the County is the primary legal document that defines allowable activities and conditions within the leasehold premises. Review of the Lease is recommended for further definition of activities, concession and public boundaries, and other operating rights.

A. Vision

The MIA concessions program is a world-class retailing experience for its diverse passenger mix of the culturally diverse, cosmopolitan South Florida region, and a multi-continent international gateway by providing a wide variety of international, national and local brands that offer fair and varying price points, and innovative store designs, all within a safe, vibrant shopping environment.

B. Commercial Operations Program Goals

A commitment to balance competitively priced high quality goods and services with needed passenger services and revenue to the Airport recognizing the investment by the concessionaires and achievement of our DBE goals.

C. Commercial Operations Program Objectives

To achieve the mission/vision and goals, commercial operations' objectives are to:

- Enhance the image of MIA as a world class airport which reflects the cosmopolitan and international nature of the community
- Enhance customer service and satisfaction by improving product choice, price points, and customer service
- Optimize sales/transactions and revenue to the Airport.
- Integrate design and location of commercial operations within the infrastructure of the Airport for passenger convenience
- Balance national, regional and local commercial operations and concessions with DBE representation throughout the terminal

D. Terminal Overview

The existing Miami International Airport terminal is currently configured in a horseshoe with Concourses from A to H. Security checkpoints are arranged at the entryway to each of the concourses.

INTRODUCTION (Continued)

A \$4.8 billion Capital Improvement Program is underway to create three terminals; the North, Central and South Terminals as described below:

North Terminal will create about 3.2 million square feet of space to accommodate the movement of aircraft, baggage and people for an international connecting hub operation. Approximately 174,000 square feet of concession space is split between food/beverage and retail. The look of the retail will be guided by our Concessionaire Design Criteria Handbook which will:

- Create a world class retail environment
- Utilize the full height of the concourse to create excitement for concessions
- Maximize the quality of presentation to third level corridors
- Compliment the architecture of the terminal with its fixtures and storefronts
- Use lighting and signage to create drama and identity
- Be outfitted with quality materials that integrate with the terminal design.

The North Terminal has four phases with the first phase in Zone D planned to open in May 2004 and is planned to be completed in 2007.

Central Terminal: The Central Terminal is the existing terminal, which includes Concourses E, F, and G. Plans are for the G Concourse to eventually be closed down. The Retail concessions include 38 stores in approximately 40,000 square feet in a landside retail program, which is anticipated to be built out by the last quarter in calendar year 2004.

South Terminal: The South Terminal is now under construction, which includes about 50,000 square feet of new concession space, the existing H Concourse and a new J Concourse.

Miami International Airport had approximately 14.7 million passengers in FY 02-03 with approximately 7 million international passengers.

III. GETTING STARTED AT MIA

While it is exciting and fun to work at Miami International Airport, there are some differences from working in other retail environments. This section will address some of those differences and some of the actions necessary because of those differences. We will guide you through some of the processes needed to get your employees, started working with us at MIA.

People Concerns – Before Beginning Employment

1. Employee Parking

A. Availability

The airport employee parking lot is available to employees of companies that lease space in the terminal building and have been authorized by the Aviation Department to utilize the employee parking facility. Employees may park in the employee parking lot only while on duty at the MIA terminal building.

B. Location and Transportation

The employee parking lot is located approximately 1 ½ miles southeast of the main terminal building. It can be accessed through LeJeune Road at N.W. 14th St. or through Perimeter Road at 15th Street. Shuttle buses provide 24-hour transportation to and from designated locations on the departure level of the terminal building with approximate headways of 5 minutes during peak times and 15 minutes during non-peak times.

C. Parking Decal Information

Employee parking decals are issued in 4, 8, or 12-month increments. Companies that will be paying for employee parking decals can establish an account and be invoiced monthly by contacting the Finance Division. Employees can pay for their parking at the Decal Section. The Decal Section is located on the ground floor of the Dolphin Garage, and is open Monday-Friday except holidays from 8:00 a.m. to 5:00 p.m. Contact the Decal Section for current employee parking rates. To register your company and establish authorized requestors for your company, please obtain sample letters from the Decal Section (tel. number: 305- 876-7567).

D. Parking Lot Safety and Security

- Access to the employee parking lot is restricted to vehicles with a valid employee parking decal and employees with valid MIA identification badges or airport authorized company identification badges. Family members/friends traveling in the same vehicle will be denied entry to the lot if they do not have a valid MIA or company I.D.
- Employees must have a valid MIA or airport approved company identification badge to ride the employee shuttle bus between the employee parking lot and the terminal building. Family members/friends are not allowed to ride the employee shuttle bus.

- There are emergency telephones located at each bus shelter in the employee parking lot. These phones may be used to report personal safety issues or non-emergency situations such as the need for motorist assistance.

E. Abuse of Parking Privileges

- Employee parking decals must be permanently affixed on vehicle for which it was issued and can only be used by authorized employee.
- Parking in the employee parking lot is a privilege and may be revoked at any time for failure to comply with established procedures.

2. Badging

The Concessionaire shall be subject to all Departmental requirements and FAA mandates pertaining to the issuance of airport identification badges, including, but not limited to employee completion of SIDA training conducted by the Department and background checks, as required by the FAA Unescorted Access Privilege Rule. The Concessionaire shall pay, or cause to be paid, to the Department such nondiscriminatory charges, as may be established from time to time, for lost or stolen ID badges and those not returned to the Aviation Department. The Concessionaire will be required to conduct background investigations and to furnish certain data on such employees before the issuance of such ID badges, which data may include the fingerprinting of employee applicants for such badges.

All airport employees working need to be badged before work commences. Our badging office is located under the Dolphin Parking Garage and is **generally** open during business hours to accommodate users.

Badges must be displayed at all times. All airside employees must participate in additional training for this access.

The badging department has its own rules and regulations with which the concessionaire must become familiar.

3. Hiring New Employees

From time to time the Department assists concessionaires with their hiring by organizing a job fair. Contact the Employees Relations Department for more information about this opportunity.

The Concessionaire should familiarize itself with the Agreement for any required staffing levels prior to concluding hiring processes.

4. Employee Orientation

All airport employees (including Concessionaires) will need to be scheduled for an employee orientation with the Airport to receive SITA training and customer service training (which is included in the orientation time). Please allow 90 minutes for this training, which must be accomplished prior to the employee beginning work at the Airport.

B. Other

1. Setting up Utilities

The cost of all utilities used or consumed on the Premises shall be borne by the Concessionaire. Unless the Premises are provided with separate electric, gas, and/or water meters, the Concessionaire agrees to pay for the utilities on the Premises as a monthly charge, plus any applicable taxes, upon billing by the Department, or utility companies. The Department encourages the Concessionaire to provide and install meters for utilities used at the Concessionaire's expense. See your Agreement for further detail on payment to MDAD for utility charges.

Other utilities used by the Concessionaire including telephones and telephone service hook-up, data lines and additional electrical and communications services are to be arranged for and paid by the Concessionaire. The Airport provides these type of services through its Information Technology Shared Tenant Services.

2. Use of Wireless Technologies

Any approval by the Department and subsequent installation by any Concessionaire, of a wireless network would be granted only with the explicit understanding that the Concessionaire agrees that the system be transitioned over to any future network once installed. Note that any and all costs, both one time and recurring, to be incurred as a result of the required transition to any future network shall be the responsibility of the concessionaire.

3. Banking Procedures

The bank is located on the fourth level of Concourses A and is equipped with a night depository, which is available to on-site Concessionaires. To arrange for depository services, the Concessionaire should contact the Bank to discuss procedures and fees.

It is critical that Concessionaires implement a policy and provide professional guidance for cash handling, ensuring that those staff tasked with making deposits do so in the safest manner possible.

Concessionaires are responsible for arranging procedures to ensure that all stores have the appropriate amount of change on hand.

4. Hours of Operation

All units have specific hours set that the unit is to be open and serving the public. On site personnel are responsible for knowing what their store operating hours stipulate. In some cases, depending on airline schedules caused by weather or other delays, the store may be required to stay open beyond required hours. Procedures need to be in place to keep the store open and operating during such events.

The store must have all products and services available the moment it opens. This means, for example, that the coffee must be prepared and ready to serve prior to the actual opening time the store must also keep all products available up until the time the store officially closes. It is not acceptable for store employees to begin to remove and clean the store until the actual closing time of the store.

IV. STANDARD AIRPORT PROCEDURES

A. Improvements to Premises

1. Conditions for Permits

Airport businesses must comply with their contractual requirement to obtain the written consent of MDAD to carry out any alterations to MDAD property. This includes what might be constructed as "minor" additions and deletions like an electrical outlet.

The permit process is designed to ensure that construction is compatible with present and future airport facilities, responsibilities are appropriately assigned, ensure compliance with other jurisdictions' requirements, meet MDAD standards for design, and assist Concessionaires with the timely and safe completion of their projects.

2. Permit Application Procedure

Concessionaire must first contact MDAD's Commercial Operations Division with any plans for site improvements, alterations or construction for preliminary plan approval.

The design criteria manual for each terminal details the submittal requirements and permit process.

B. Storage

1. Designated Storage Areas

Concession storage space may be leased through MDAD Commercial Operations Division and is designated in the Agreement. These storage areas are provided for activities related to the Concessionaire's doing business at the airport including storage, display, overstock or office uses. MDAD will make every effort to satisfy individual concession storage needs, dependent on the availability of suitable space.

2. Unapproved Storage

Hazardous, combustible or flammable materials, and storage of merchandise outside or adjacent to Concessionaire's retail premises or storage area is not permitted. Storage of materials, products, or trash that blocks access to fire safety equipment, doors and other access points is also prohibited. Concessionaires that consistently abuse storage privileges will be noticed and required to clean premises or will be billed for all associated costs required to clean up or remove the unapproved materials attributed to their business.

3. Fire Safety in Storage Areas

Concessionaires using storage areas must be aware of these common storage problems and must correct them to ensure fire safety:

- Storage too close to sprinkler heads.
- Improper storage of trash, boxes, oily rags, etc. These items are better removed to disposal or recycling receptacles provided for Concessionaires.
- Improper storage of flammable and combustible liquids and aerosols.
- Blocking of exit-ways and fire equipment.

4. Damage to Storage Areas

Storage rooms and the access to those rooms are the property of MDAD. Concessionaires found to be consistently causing damage to MDAD property will be noticed and may be billed for repairs following review and discussion with MDAD as necessary.

C. Changes in Price and Product Offerings

1. Street Pricing

The Concessionaire shall not charge prices in excess of one hundred ten percent of Street Prices as defined in the Agreement. The Concessionaire will be required to submit examples of pricing periodically as indicated in the Lease Agreement. MDAD will monitor Concessionaire prices to ensure compliance.

Concessionaires are required to submit a detailed list of all services and items (and their corresponding prices) offered in their assigned premises.

Prior to adding new items or increasing prices, Concessionaires are required to inform the airport and to seek written approval from the Department.

2. Menu and Product Offerings

MDAD and the Concessionaire agrees to offer a set of products and services approved prior to the opening of the location.

Any sales by the Concessionaire of services, products, or items not specifically approved in its Agreement shall constitute a default. In the event of such default, the Concessionaire will discontinue the sale or service of the unapproved product immediately, upon written notice from the Department. Failure to discontinue such sales shall be grounds for termination of the Agreement.

To request that an additional product be sold, the Concessionaire must submit in writing for approval to the Commercial Operations Division the request inclusive of the product name and suggested price along with the required support for the establishment of the proposed price.

D. Terminal Maintenance and Operational Issues

1. Maintenance Services

MDAD's Facilities Department has, as its highest priorities, the repair and upkeep of the airfield, passenger service and common and public areas. While the concessionaire, as delineated in its lease, is responsible for maintaining its premises, MDAD is available to assist Concessionaires with other repairs and maintenance-related activities as much as manpower and work scheduling will allow. The Maintenance Department has established fees for these services, which will be billed directly to the Concessionaire.

2. Maintenance Responsibilities

A. MDAD Responsibilities

MDAD Maintenance Department is responsible for the maintenance, repair and upkeep of the following items found within the Concessionaire's premises:

- Exterior window cleaning on the airfield;
- Emergency spot lights;
- Broken lock or key in storefront rolling grill;
- Electrical system supplied to the store (Concessionaire responsibility begins at outlet);
- And HVAC system

B. Concessionaire Responsibilities

Concessionaires are expected to maintain their premises in good repair and keep them in a clean condition and orderly appearance. Concessionaires are responsible for any other upkeep and repair within their leasehold, including but not limited to windows, both inside and out, flooring, spot lights; display case and spot and window lighting; carpet; fixtures, and any

equipment or custom made features of the premise. Concessionaires must also arrange for their own janitorial service.

Concessionaires also are responsible for their own extermination, which must be coordinated with the Airport

3. Contracting Maintenance Work

Concessionaires who desire maintenance work can do so by:

- Contracting with an outside vendor who is capable of completing the desired maintenance and repair to the satisfaction of MDAD and to the Concessionaire; or
- Contracting with MDAD Facilities Department for those items outside MDAD's regular maintenance responsibilities.

A. Contracting with Outside Vendor Services

Concessionaires may hire service providers such as housekeeping, extermination or telecommunications without prior MDAD approval.

However, prior to any work, a permit must be issued. Concessionaires must contact Commercial Operations to obtain the proper permit forms and approval to hire any contractor who may impact airport operations such as electricians, phone repair, plumbers, etc.

Vendor must meet or exceed the original materials and workmanship and conform to any federal, state or local regulations. All work shall be subject to inspection by MDAD.

B. Contracting with Airport Facilities

Contact the MDAD Facilities (305-876-7311) to request a work order. Requests made 24 hours in advance of need are appreciated. For non-emergency requests, allow a maximum turn-around time of two weeks. Concessions contracting with the Maintenance Department will be billed on an hourly basis for manpower and the cost of supplies.

When requesting maintenance services, Concessionaires should identify the item in need of attention and time frame for completion. Efforts will be made to meet the request in a timely manner, depending on the department's manpower level and workload. Concessionaires should limit their requests to the Maintenance Department for maintenance and repair only, and not for making improvements or involving new construction.

4. Emergency Maintenance

The Facilities Department will respond to emergencies as a priority. Concessionaire should make clear in its request to the dispatch that an emergency situation exists for immediate attention. Examples of emergency maintenance requests are broken water pipes or any other uncontrollable leakage, broken display window glass, inoperable entry gate, etc.

d. Delivery through Terminal Building

Efforts should be made to avoid using public areas of the terminal for large quantity deliveries during peak hours. If supplies must be transferred through the public portions of the terminal, these pickups/deliveries should be scheduled during non-peak aircraft arrival and departure times.

Common carriers such as Federal Express, UPS or Airborne Express are authorized to bring shipments directly to the units or storage area.

All Concessionaire delivery carts, utility carts and trash collection dumpsters are asked to adhere to the following specifications to avoid damage to the Airport:

Commercial Operations staff meets with concession managers, store owners and staff on a monthly basis to discuss current problems. This meeting should be used to communicate ideas and methods of improving security. Store managers with questions or concerns may contact Commercial Operations.

3. Prosecution of Shoplifters

To maintain a high level of security at the airport, Concessionaires are strongly encouraged to prosecute shoplifters and staff caught stealing by attending court sessions.
